The Story

The cinematic cultural sensation returns with the epic conclusion to the untold story of the witches of Oz. Elphaba and Glinda are now estranged, each living with the consequences of their choices. Elphaba (Cynthia Erivo), now demonized as The Wicked Witch of the West, lives in exile, continuing her fight to expose The Wizard. Meanwhile, Glinda (Ariana Grande) has become a glamorous symbol of Goodness, basking in the perks of fame and popularity. As the angry citizens of Oz rise up against the Wicked Witch, Glinda and Elphaba must reunite and truly see each other—if they are to change themselves, and all of Oz. Bring home the adventure with an exclusive sing-along and prepare to be changed...for good.
